RE: 2024 Tire Pricing & Transaction Policies

Yokohama is thrilled to be the tire supplier of Porsche Carrera Cup North America. TrackSide Performance will again be on hand at each event to service your tire needs. The at-track tire price (not including local county taxes, state taxes and \$2 disposal fee for California only) for both dry and wet product is attached. Tire pricing is effective January 1, 2024.

While on-site at the track, please order tires through the TrackSide Performance mobile app (see Yokohama Tire Ordering Memo for details) prior to dropping tires and wheels off at the service trailer. Also, please clear all weights from wheels, remove valve cores, remove center caps, and ensure the car's number & App REQ # are prominently displayed on the tire and wheel prior to dropping them off for service.

The TrackSide Performance hours of operation will vary with each event schedule. The likely hours will be:

- 12:00pm the day prior to the first on-track activity
- 90 minutes prior to the first session of the day until 60 minutes after the final session of the day

The price of tires ordered away from the track is the at-track price plus shipping and applicable taxes of the shipping destination. Tires will ship within 48 hours of ordering. To purchase tires while not at the track please contact:
